

Plantenkwekerij De Kemp is a family business with over 60 years of experience in the propagation and cultivation of conventional and organic strawberry plants, asparagus plants, fruit tree rootstocks and redcurrant (Ribes) plants. De Kemp supplies high-quality planting material to professional growers throughout Europe.

To expand our irrigation team Plantenkwekerij De Kemp is looking for a

Co-worker Irrigation Full Ground

In the position of Co-worker Irrigation Full Ground you are responsible for monitoring the moisture levels and planning and executing the irrigation systems on the various plots. In the off-season, you will maintain the irrigation systems, such as sprinklers, drip irrigation and reels and you will also be involved in harvesting activities.

The tasks:

- ✦ Monitoring moisture content of plots;
- ✦ Planning and executing irrigation;
- ✦ Setting irrigation computers;
- ✦ Maintaining and repairing irrigation equipment;
- ✦ Managing the irrigation team (2-4 persons).

We offer:

A varied and challenging position within a rapidly growing and internationally operating company, with nice, enthusiastic and professional colleagues. Room for own initiative and opportunities to develop yourself further through (internal) education and training. Good supervision and support during the settling-in period by your colleagues. Above all, we offer a

pleasant working atmosphere. The salary is in line with the market with an excellent package of secondary benefits.

Your qualities and talents:

- ✦ Experience in outdoor irrigation;
- ✦ Practical, structured and independent;
- ✦ Eye for detail, seeing improvement opportunities in the work;
- ✦ Flexibly employable and willing to work on Saturdays;
- ✦ Leadership skills;
- ✦ Driving licence B and T; E is a plus;
- ✦ Passion and affinity for plants;
- ✦ Technical insight and able to carry out minor maintenance on tractors and irrigation equipment;
- ✦ Basic knowledge of English;
- ✦ Dutch, German or Polish is a plus;
- ✦ Computer skills;
- ✦ Intermediate vocational education (MBO) level.

Do you want to build a bright future with us?
