

**Plantenkwekerij De Kemp is a family business with over 60 years of experience in the propagation and cultivation of conventional and organic strawberry plants, asparagus plants, fruit tree rootstocks and redcurrant (Ribes) plants. De Kemp supplies high-quality planting material to professional growers throughout Europe.**

To expand our team Plantenkwekerij De Kemp is looking for a experienced

## Tractor driver

In the position of experienced tractor driver, you will be responsible for planning and performing tillage of the various parcels of land.

### The tasks:

- ✦ Responsible for planning and performing tillage of various plots;
- ✦ Perform crop care and grubbing operations;
- ✦ Maintenance and repair of machinery during the quiet period;

### We offer:

A varied and challenging position within a rapidly growing and internationally operating company, with nice, enthusiastic and professional colleagues. Room for own initiative and opportunities to develop yourself further through (internal) education and training. Good supervision and support during the settling-in period by your colleagues. Above all, we offer a pleasant working atmosphere. The salary is in line with the market with an excellent package of secondary benefits.

### Your qualities and talents:

- ✦ Experience in tillage and grubbing operations;
- ✦ Eye for detail, seeing improvement opportunities in the work;
- ✦ Practical, structured and independent;
- ✦ Flexibly employable and willing to work on Saturdays;
- ✦ Driving licence T; B and E is a plus;
- ✦ Technical insight and able to carry out minor maintenance on tractors and machinery;
- ✦ Passion and affinity for plants;
- ✦ Basic knowledge of English;  
Dutch, German or Polish is a plus;
